To Anna Jones,

Whereas Harman Car of Prince W. the county of

hath informed that there are about

five hundred — acres of waste and ungranted

lands, in the said County near the Round hills—
between the Beaver Dam and N.W. fork —

And to bring to hand, a survey of the same in order

to have a deed.

There is therefore being sent from the said Ann Jones

to make a true and accurate survey of the lands that

can be described by the first warrant, and for

the same and to require the said Ann Jones to make a correct plat there

of describing the lands so, as aforesaid. Also the buildings

and improvements of the said Grant, and in the finding

of the same, and to ask for their services.

Be it known to all persons in authority, that you are

not to make your journey to the said Ann Jones,

until you reach her, and in the meantime, you are to

continue your journey to the said Ann Jones, and

hereunto your hearing, this warrant you are to sign and return to this office anytime

before the 25th of December —

Notwithstanding this, you have also the power and

right to sign this warrant for the consideration of

these premises.

This is the 1st day of June 1791.

[Signature]

113.

[Number]
The warrant is at the hands of the surveyor of the county, granted to the above
sufferer, for the 25th December, next ensuing.

Warwick, 1742.
