Dyson, John
Fairfax Co
Survey 14 Oct 1742
560 acres

Warrant 13 June 1741
To Anna Jenkins

Whereas John Dixon — of the County of Prince — hath informed the Treasurer about five hundred acres of unimproved lands in the said County joining to Thomas Gregg's last Survey.

And praying to have a survey of the same in order to have it recorded.

Therefor be it known to you the said Anna Jenkins, to make a true and accurate survey of the said last lands, described in the said warrant, hath given for the same, and to require you to make a true and correct survey of the same as far as you can, the surveying of the same by you to be given to the County Surveyor. And when you have completed the same, you are to return the said warrant with the survey, and the same to be recorded in the office any time before the 28th of December. And the said warrant to be signed by you and sealed by the Treasurer at his right hand.

Day of June, 1741

[Signature]
In accordance with the request of Mr. Amor Janney, renewed and further granted to the 23rd December, 1742, given under my hand this 23rd July 1742.

By virtue of Warrant from the Register Office on the 23rd July 1742. Surveyed for John Lee for a tract of land beginning at the Small Oak marked D, being the SW corner of the tract bounded on the north by a Small Oak, and extending thence with the Small Oak line NW to a Black Oak, thence to the tract of land in the Small Oak line NW to a Small Oak on a hill, thence NE of the NW corner of the Small Oak, thence to a Black Oak by the southeast of the Small Oak, thence NE to the Small Oak line NW, thence to the first station containing 360 acres.

Surveyed this 14th day of July 1742.
