Abel Mead
260 Acres
Deed made at 23
To Amos Jennings

Whereas A. McAll, Surn. — of the County of Prince, hath informed that there are about two hundred and fifty acres of waste and unfenced land in the County adjoining to the Line of Creek, Choctaw, & Brunce.

And to have a survey of the same in order to have it recorded.

That is to improve you, the said Amos Jennings, to make a true and accurate survey of the said waste lands, described as the first warrant that the said Henry Blevins had, for the same, and to require you to make a correct plot thereof, describing the same in the lines of the purposes, and the bounding of the said land, and not to proceed or improve any part thereof, and where you join not to any part of land which you are to do when you can make, nor to continue your courses.

So that you shall make yourself or be more assistance, you may also return, with the warrant you are to file into the office, any time before the 25th December next ensuing, signed in the hand of the Proprietors office this 19th day of June, 1741.
