To Mr. William West,

Whereas Thomas West, of the County of Prince William, hath informed that there are one hundred acres of waste and ungrantable lands in the County, between the line of Ravenworth and the land of Mr. Dunn Crump,

and desiring to have a survey thereof in order to have a deed

there are to empower you, the said A. W. West, to make a true and just and accurate survey of the said waste land provided this be the first warrant hath quitted for the same. And to require you to make a correct plat thereof describing the courses and distances precisely into the particular boundaries of the several persons land contiguous or adjacent, and where you join unto any person's line which you are to when you can, then you are to continue your courses so as to make your plot a near square or parallelogram as may be. Whereof with this warrant you are to give into the office any time before the second Monday of the next ensuing, given under my hand and seal of the

Proprietor's office this 30th November, 1742.
