Hough, John  Fairfax Co.
assignee of Mary Janney

Survey 9 Dec. 1751
Warrant 2 Oct. 1751

470 acres
2 items
To Mr. John Hough

Whereas Mary Taylor, widow of Tazewell county, hath informed that there are about two hundred acres of land adjoining to and not far from the land due him from Doctor Thomas, John Dixon, Isaac Mitchell,Henwood Cox and George Carter, on the Round side of the Blue Ridge.

And finding a warrant to survey the same in order to obtain a deed being ready to pay the compensation and other charges.

There is therefore empowers you the said John Hough to survey the said land

Provided always that the said you are to make a true and accurate survey thereof describing the several and distance where the buildings and boundaries of the several homesteads and adjoining where you cannot i

Also you are to make the breadth of the tract to contain at least the proportion of one third part of the length as the survey of Virginia and you are also to survey the names of the title and surveyors and the date when the survey was made and employed a plot of which said survey was made

Warrant you are to send into this office before the 31st. day of November in the year 1751, in the twenty-fifth year of the reign of King George the second.

W.

Not to survey until the

The land due to the land held by His

Earl of Chatham

G.W. Fairfax

4½

Mary Janney

Plott

for 4½ Acres of Land

in Augusta County, which

is to be known in Mr. Houghton's

Survey of Virginia.
This survey seems to have proven erroneous. It is nearly identical with that which precedes it in this box; and that one matches the grant. It is odd that the wrong survey was dated 4 days later than the right one.

Henry Taylor 8/10/83
