To Mr. Webb West,

Whereas Jacob LeSwell of the County of Prince William, hath informed that there are about one hundred and fifty acres of water launce land in the said county on the North side Goose Creek between Col. Carter and Capt. Gray, you now, Major Waring near where John Tuck lived,

and desiring to have a survey thereof in order to have a deed.

These are therefore to empower you the said Mr. West — to make a true and accurate survey of the said land, and provided they be the first three, forth with to require you to make a true and correct plat thereof, describing the same, and distance thereof, also the boundaries of the said land, comprising adjacent land, whereupon you shall be any survey lines which you are to do when you can; then you are to continue your course so as to make your plat as near adjacent parallel as you may be. Return wheresoever this will require you to give to the register office, before the 25th day of July, — and send in the above copy under my hand a true and correct plat of the premises, office this 25th day of July 1742.
