To Anne Ranger.

Whereas Sam. Smith, of the County of

Sumter, who hath informed that there are about

Five hundred acres of unappropriated land

in the County, owing to Col. Colville Land

on Tuckahoe.

And according to Law, a survey of the same is ordered to

have it done.

Therefore, I do now order you, the said Anne Ranger, to make

a true and just, (according to Law,) survey of the aforesaid

land, and to do the same as required by the Law.

And to Require you to make a just and true survey of the aforesaid

land. And to require the subscriber to sign as surveyor. Also the

binding and bounds of the same. And you are desired to show

you not to any person which you are to see when

you can, you are to continue your survey so as to make your

last. At the same time to deliver the same to the

Commissioner, and the said warrant you are to give with the said

time, before the 25th December,

next ensuing. I remain under my hand and seal of the

Commissioner of this District. This 1st day of June, 1741.
