Nicks, Isaac  Fairfax Co.  Survey 15 Oct. 1742

560 acres

Warrant Date from survey 21 July 1742
By virtue of a warrant from the Proprietors Office, dated July 21, 1742, I, J. W., was directed to survey for James Nicholas, Esq., a tract of land, beginning at a black oak, near the bank of the Indian Creek and the Mark, then North, East, South, and West, being the NW corner of the same survey. For John Brown, the SE corner of the NE corner, and extending the same with a line of the said line NW 30 poles to three white oaks, thence to the said line, thence NW 30 yards to two houses, thence to the top of the Round Hill, thence SE 30 yards to a black walnut, thence North 100 yards on the South side of the Round Hill to the NE corner, thence to two large white oaks, thence NE 30 yards to the line of the Round Hill, thence NW 30 yards to the first station, containing 56 acres.

Surveyed this 16th day of November, 1742.
