To Ami Scannell
Whereas Richard Pronow of New Hampshire
having found that there lay about, Five Hundred
Acres of good Wragant Land in the Country
of Sune Wilmars lying upon M. Hurd, 60 m.
North and extending across Blackham Brook.

And desiring to have a Survey of the same in order, for
obtaining a Grant.

There is to empower you, the said Ami Scannell,
to make a true and certain Survey of the said land above
above, and to have the said land marked out. And for the same
End to require you to make a correct Plan of the same,
and the Descriptions and Boundaries of the same, for
transmitting it to the Surveyor General, and to return
the same to the said Richard Pronow, as the Surveyor
General may require.

You are to take care to take and observe the true
line which you are to take when you do. Then you are to continue your Survey to
make your Plan at New Hampshire, and transmit it to
the Surveyor General, as the Surveyor General may
require.

You are to make your Survey within the time of
the 25th day of
