To Mr. John Warner Surveyor of Westmoreland.

Whereas William Gladding of the County of Prince William, hath informed that he owns about four hundred acres of Waste and Surplus land in the said County, on four miles of the land of three now Messrs. John Alexander and Strickland, Esqrs. adjoining to Oak grounds and the land of James Robins, and John Adams whose said land now lies.

And desiring to have a survey of the same in order to have a deed.

These are to empower you the said John Warner to make a true, just and accurate survey of your Waste and Surplus land in the said County, and to require you to draw a correct plot thereof describing the corners and distances of poles and all things bounding the said land or any portion or part thereof. And if you do not, or if you are not satisfied with the same, you are to return hereof with the deed, if any, within twenty days of these presents.

Given under my hand and seal of the proprietors office this thirtieth day of February 1741.
