To W. W. West

Whereas W. John Grayham, Rector of

has informed me that there are about four hundred acres of waste and unappropriated lands in the County of Prince William in Virginia.

And desiring to have a survey of the same in order to have a deed

These are to empower you, the said W. W. West, to make a true, just, and accurate survey of the said waste lands. Provided this be the first Warrant blank issued for the same, and to require you to make a correct plot thereof, describing the courses and distances per Pole, also the bounding and bounding of the several persons' lands circumjacent or adjacent, and where you join not with any person's line which you are to do when you can then you are to continue your courses, to make your plot as near a square or parallelogram as may be, and when you have completed the survey, you are to give me into the Office any time before the 25th day of December next ensuing, given under my hand and seal of the Proprietors Office, this nineteenth day of June, 1741.
