Graham, John  Prine Williams Co  Sunday 20 Aug 1768  10 1/2 acres

from Gilby, Esquire

Warrant 21 July 1768  2 1/2 acres

See: Graham's Survey of 57 acres

136
To Mr. John Bayly

Whereas Mr. Tomsas Tebo, of the County of

north informed that there are about sixty

Acres of waste ungranted land on the said

land, on which he would oppose his own land

of land, of Francis Burnet.

And desiring a Warrant to Survey the same in order

to obtain a Deed being ready to pay the Composition

of office charges.

These are therefore to empower the said

Bayly to Survey the said waste

land for the said Tomsas Tebo.

Provided this be the first Warrant that hath issued

for the same land. If you are to make a true & accurate

Survey thereof describing the course & distance thereof

also the boundaries & bounding of the several persons

lands adjoining, and where you cannot determine in any

known time you are to make the breadth of the Tract to

bear at least the proportion of one third part of the length

as the law of magna charta directs you are also to insert the

names of the立志 & chain carriers made use of employed

A plat of which Survey with this Warrant you are to in

return to this Office any time before the thirtieth Day of August

next ensuing. Given under my hand & seal of the Secret

tory Office this thirtieth Day of June in the thirty-fourth year of his Majesty King George the second reign.

G. Fairfax.
In obedience to a warrant from the Surveys Office, I have directed the surveying to be done. It is the 21st Day of Dec 1760. I have surveyed for Mr. Thomas Beach a parcel of land granted to him in the County of Prince George in Quantico Creek opposite to the high land of the said Mr. Thomas Beach.

Beginning at a point of March running N 32° 30' 40" E, fifty-two poles to B, thence N 32° 30' 40" W, forty-one poles to C, thence N 32° 30' 40" W, twenty-two poles to the upper part of the said March at D, thence S 31° 30' W, twenty-seven poles to E, thence S 31° 30' W, forty-three poles to F, thence N 32° 30' E, twenty-seven poles to the said beginning containing thirteen & one-half acres. Surveyed the 20th Day of Aug 1760.

John Bailey

Plotted by a scale of 45 equal parts.

Dear Sir,

I am informed that Mr. Jordan has been placed at the head of our forces in the Highlands and that his brother, Colonel Jordan, has been appointed as the Second-in-Charge. The Board of Directors have been informed of these appointments and have committed the actions of Mr. Jordan to the care of the Colonel. They have also directed that Mr. Jordan be supported in his efforts to take the necessary steps to protect the interests of the Company.

I have been instructed to inform you of the recent developments and to express my confidence in Mr. Jordan's abilities to lead our forces.

With regard to the recent correspondence, I am pleased to inform you that Mr. Jordan has been appointed as the head of the Provincial Government. He has been instructed to take all necessary steps to ensure the safety and security of the Province.

In conclusion, I trust that you will find my letter informative and assure you of my continued support in these matters.

Yours sincerely,

[Signature]

P.S. I have instructed Mr. Jordan to send a copy of this letter to you for your information.
