To Anos Janney

Whereas it is receiv'd that there are about One Thousand Acres of wild ungranted land in the County of Essex,joining to the said Fairfeild line on the S. Fork of the Beaver Dam

And likewise to have a survey of the same in order thence to proceed.

These are to inform you, the said Anos Janney, to make a true and accurate survey of the Fairfeild land required. This is the first warrant hath been given for the same, and to require you to make a correct plat thereof, describing the same and all off pole, also the bounding of the several corners and the points of the same, and where you join that to any other line to which you are to go when you can.

You are to continue your survey to make your plat at the place, square or parallelogram, as may be a return whereof you are to send into the office any time before the 25th of December, next ensuing your hand and seal of the Register's office, this nineteenth day of June, 1741.

H. W.MITCH.
