To Mr. John Audley Surveyor,
Whereas Charles Griffin, of County of Prince William, hath informed that there are about three hundred acres of Waste Land in my County of Prince William, lying to or near the Land or Lines to be surveyed for.

And do signify that I have Survey of the same in order to have a Good and True Copy with all Possession and Accurate Survey of the same.

I hereby empower you & John Audley to make due and Accurate Survey of the above-mentioned Land and to require that you to make a correct survey thereof, describing the Course & Distances per Pole, also of Batting & Bounding of several persons Lands, and adjoining thereto to the said Land, and when you shall have the said survey, you are required to continue your course so as to make your survey as near as a Square or Parallel as may be. And when said survey is made, you shall return this Warrant to my office any time before the 28th day of November, the survey, having been made, being given under my Hand & Seal of the Proprietors office the 2d day of January 1739.
