7th C. 3rd 1739
To Mr. John Warner, Surveyor

Whereas William Hariel of the County of
Prince William hath informed that there are about
Three hundred acres of waste and unappropriated lands in
the County on the middle run of Westmore's run joining
to Capt. Thomas Pearson; and desired to have a
Survey of the same in order to have a Deed.

There are to empower You, the said John Warner

to make a true, just and accurate Survey of the said

waste lands. Provided that the said Warrant hath issued
for the same, and to require You to make a correct Plan
thereof, describing the Courses and Distances for each
also the Provinces and Boundaries of the several plots of land,
adjacent or adjoining, and also, where You see any

other land which is not on

the said land, which is not to be sold when You can,
Then, You are to continue your course so as to make
Your Plot as near a Square or Parallelogram as may
be, and return therewith the Warrant. You are to
give into the Office any time before the 25th December.
and swear you have made and executed the

Survey, and signed the Map and Deed of the

Proprietary Office this fifth day of July 1789.
