Windsor Casco, Inwiss, Shisk, April

A tract of Land to the West of this City of about 200 acres of Land of Samuel Young, not yet granted, upon the North West side of a small mountain of Land near the head of the great Branch of Broad Run and near the land of John Garsick.

And having found upon a Warrant to survey the same, being ready to pay the Treasurer's office fees. Now therefor to empower you to survey the said land for the said person provided this is the 1st Warrant

Warrant

Upon inspection of the survey, will be found correct and accurate, therefore for said survey, I will pay the Treasurer of the spot.

Given under my hand and the seal of this office this day of June 1736.

Robert Carter

Surveyor
