To Mr. William

Whereas John Newt of Prince William
has informed that there are about
four hundred acres of waste and ungranted
lands in the County of Prince William joining
on Capt. Lewis Clay and Mr. John Dickinson late
Surveyor,

and desiring to have a survey thereof in
order for obtaining a Grant.

There are to empower you the said Mr.
West - to make a true just and accurate
survey of the said waste lands. Provided this
be the first warrant that is issued for the
same and to require you to make a return
that there is describing the Surveys and
Distances per pale also the Settings and
Boundaries of the several parts and
Circumscribing or adjoining and when
you shall have set an any Ditto Line which
you are to do where you can then you
Must Continue your Carve so as to make
your Plan as near as Square as the Surveys
show and may be a Return whereof
with this warrant you are to give into the
office any Time before the 25th day of
March - Next Entering Given

under my hand and seal of the Proprietor
office the 20th November 1746.
