To Mr. John Bally

Whereas William Perry of Prince

Walthall, hath informed that there are

about one hundred acres of Waste of ungranted land in the county of

Fairfax, viz., the line of Mr. Col. Godfrey Locke, of the Parish

upon Leesong Run.

And desiring a warrant to survey the same in order to obtain a deed being ready to pay the composition for office charges,

These are to empower you, the said John Bally, to survey the said waste land for the said

Warrant. And you are to make a true just and accurate survey thereof, describing the courses of distances from one the line bounding the several persons lands adjoining and where you cannot do it on any known edge, you are to make the breadth of the tract bear at least the proportion of one third part of the

depth as the laws of Virginia direct. You are also to insert the names of the owners or census of inhabitants of and employed at, or by which said survey you are

with this warrant, you are to deliver into this office any time before the 25th day of September next ensuing, giving your under my hand

of the proprietary office this thirty-first day of

March one thousand seven hundred and forty in the twenty-first year of the reign of Our Soverign Lord, George the second, by the grace of God, of Great Britain.
A grant of land dated the 30th day of March, 1742, granted to William Harmes of Prince William County, for one hundred acres of land, by the name of Tomahawk Run, which is surveyed as follows: Beginning at a point on the divide of the north fork of Tomahawk Run, thence east one hundred yards nearly to the divide, thence south, one hundred and ninety poles along the divide, thence west through the woods to a point, thence north through the woods to the beginning, containing two hundred and eighty acres of land.
