To Mr. Amos Janney
Whereas John Labock of the County of Prince William hath informed that there are about five hundred acres of waste or unmarked lands in the county and a road joining on Carter and Mercer on the West side Goose Creek.

And desiring to have a survey of the same in order to have a deed.

There are to empower you, the said Amos Janney, to make a true and just and accurate survey of the waste lands. Provided this be the first warrant hath issued for the same and to require you to make a correct plot thereof describing the courses and distances per pole also the boundaries and descriptions of the several persons and surveyors or adjacent, where you join not on any persons line which you can, then you are to continue your work to make your as near a square or parallelogram as you may be. Return in due course with this warrant you are to give into the office any time before the 25th of March next ensuing given under my hand seal of the proprietors office this seventh day of November 1741.

Thos. Page.
To Mr. Amos Janney,

Whereas John Laidwell, of the County of Prince William, hath informed that there are about five hundred acres of waste ungranted lands in the county of Prince William, running on Carter's and Mason's on the White Goode Creek, and desiring to have a survey of the same in order to have a deed. These are to empower you, the said Amos Janney, to make a true and just survey of the waste lands. Provided this be the first warrant hath issued for the same, and to require you to make a correct plot thereof, describing the courses and distances per pole also the buildings and boundaries of the several persons having adjacent line with you, join not on any persons line which you are to do when you can. Then you are to continue your course as to make your survey as near a square or parallelogram as may be a Return whereof with this warrant you are to give into the office any time before the 25th of March next ensuing, given under my Hand and seal of the proprietary office this seventh day of 7th November, 1741.
