To Mr. John Grant

Whereas Capt. Valentine Peyton
has informed the three are about One Thousand
Acres of waste and ungranted Land in the County of
Prince William to judge the Land to be Surveyed for
Mr. John Grant.

and deeming it necessary to have a survey thereof in order for obtaining
a Grant,

Will therefore empower the said John Grant

to make a true, just, and accurate survey of the said waste
land, Provided that the first be paid for the
same, and to require you to make a correct plat
thereof describing the courses and distances for
roads, also the boundaries and boundaries of the
Respective persons land, Encompassing all

And where you join at any person's line, which you
are to do when you can, then you are to continue
your course so as to make your plot as near as
near a Square or Parallel course as may be

A Return wherein you shall have an exact map to

give into the Office three before the 31st Day of

June, next ensuing, having my name and Seal of the same sealing the book office, the
3rd day of March 1739.

W. Peyton
The within Warrant is issued at the Request of Capt. Oct. Patte and to be executed before the 23d. December next severing the Tote barry. Drawn under my hand the 18th Oct. 1760.
