To Mr John Grant

Whereas Nathaniel Reed of Prince William has informed that there are about Four hundred 7 Acres of waste and unappropriated Land in the County of Prince William lying between the Line of Col Carter, Mr Mercer, & Mr Damu near the River of Pohick — and desiring to have a survey thereof in order for obtaining are to empower You the said

These are to empower You the said John Grant — to make a true just and accurate Survey of the said waste Lands. Provided this be the joint Warrant hath issued for the same, And to require You to make a correct Plot thereof describing the Courses and Distances per Pole, also the Bounding and Boundings of the several Persons Lands circumscribed or adjacent. And when You join not on any Persons Line which You are to do when You can. Then You are to continue your Courses as if to make your Plot as near a Square or Parallelogram as may be. A Return whereof with this Warrant You are to give into the Office at any Time before the 25th day of March — next ensuing. Given under my Hand and Seal of the Proprietors Office this 12th Day of September 1739

William Paternoster

GZ-1
