To Capt. Joseph Berry.

Whereas Mr. Pattle of the Committee of this Board, has informed that there are about four hundred acres of west and ungranted land in the county of Prince Edward on Barrow's Creek between the line of the Old Dalch that. Jordan & Charley Morgan, Jr.

and design to have a survey thereof in order for obtaining a grant.

This is to inform you that Capt. Joseph Berry is to make a true, fair and accurate survey of the land as aforesaid, and to agree to make a correct plat thereof, which is to be for the purpose of describing the same. The Dewees estate also

the Deering's

boundary of the several portions of lands adjacent or contiguous, and where you joyn not on any portions

line where you are to do what you can

then you are to continue you come as to as to

make some platt as near a square as parallel

grant as may be. A Return also of what the

Warrant you are to give in the office any

time before the first day of March next.

Depose hereunder my hand and seal of the

Prothonotary office this first day of October

1760.

W. Penn
Survey'd for William, Esqr. five hundred and twenty acres of land on the west side of the town of Hingham and at the foot of the hill, being on a high ridge, and a part of it, lying on a small ridge, the same being bounded on the west by the road leading from Hingham to the sea, the same on the north by a line running N.W. from the corner of the town of Hingham to the south end of the road leading from Hingham to the sea, on the east by the same road leading from Hingham to the sea, and on the south by a line running S.E. from the corner of the town of Hingham to the south end of the road leading from Hingham to the sea. The whole being surveyed the 22nd day of November in the year of our Lord 1740.
