Whereas George Reator of County of Prince William, known for survey of land office that there is four hundred acres of land in the said county which is not yet granted upon a Draft of Tract of land run upon the south side of the said Draft joining to the land of Major Churchill.

And having moved for warrant to survey the same—being ready to pay Composition Office Fees.

Hence therefore I empower you to survey the said land for the said George Reator, provided this be your first Warrant hath been for the same, and upon Return of your Survey with the bounds courses and distances thereof, the said George Reator, upon paying down the Composition Office Charges is to have a Deed duly executed for the said land at any time between the Date hereof and the seventh Day of September next ensuing.

Given under my hand and the seal of office,

To John Warner, Jr. surveyor of R. & G. Co.
To survey the same.

Robert Harper

This month day of April 1739.
By Virtue of a Warrant from the Proprietors Office. April 28th, 1711.

Surveyed for Geo. Hancock, being part of land lying and bounded as follows:

Beginning at the white oak standing on a point of a small branch of Rocky Creek run north by west to the main branch 115 feet, then east 118 feet to a small white oak, thence north by east 230 feet to a red oak in line of land of Mr. Conner. thence west 106 feet to a red oak, then to the beginning containing two hundred and forty eight acres.

May 28th, 1711.
