
Warrant 16 Jun 1751  2 acres
To Mr. George Hume
Whereas Charles Taylor of Prince William County
has informed that there are about two hundred
acres of ungranted land in the county between the lines
of Edw. A. Burgess, Shonter, and William Weaver, where he
now lives.

And having a warrant to survey the same in order to obtain a deed
being ready to pay the Composition Office Charges.

There are therefore to imprison the said George Hume
to survey the said waste land for the said

Provided this be the first warrant that has issued for the said land
you are to make a true and accurate survey thereof describing the
boundary line of the same also the Bounding Bounds of the several
persons lands adjoining where you cannot join on any known survey
are to make the breadth of the lot to bear at least the proportion of one
third part of the length as the law of Virginia directs. You are also to make
the name of the third chain carrier made use of employed a plat of
which said survey with the warrant. You are to give into the office
any time before the 25th Day of December next ensuing.

Under my hand and seal of the Proprietors office this 10th
day of June 1731 in the twenty-fourth year of the Majestie King
George the Second Reign.

G. W. Fairfax
