To Anne Jennings,

Whereas Joseph, Patrick, of the County of Prince, hath informed that there are about five hundred acres of part ungranted land in the County of Prince for Pat. Lich, near the said hill & Drain of Clark's Run.

And to signify to have a survey of the same, in order to have a deed.

There are to issue to the said Anne Jennings to make a true, just, and accurate survey of the said grant land, provided this be the first warrant the Land. For the same, and to require you, to make it correct at the expense of describing the same, by plan and plot, the bounding lines and bounding of the several parts of land surrounding or adjacent thereto, whereupon you shall be paid by order of the said Joseph, a just compensation for the same. The surveyor may be at liberty when the warrant for the same shall be returned by the 27th of December, next ensuing from the hand of the Register's Office, the warrant for the same was signed this 9th June, 1746.

[Signature]
By virtue of the said chart or survey, the said lands and premises are described as follows:

Beginning at the southwest corner of the land of John Smith, thence north to the line of the land of Richard Johnson, thence east to the land of James Brown, thence south to the beginning.

Surveyed this 26th day of May, 1774.
