Ashley, Robert Jr.  Stafford Co

Survey 4 March 1742/43  274 acres

Warrant 1 Dec. 1742  3 items
To Geo Bynon

Whereas Robert Ashby Jnr.

hath informed that there are about two hundred and fifty acres of waste Lands granted and in the county of Stafford belonging to Thomas Bettesmore, then to William Greens, then to Bedden, then to Rob Ashby 300 acres land

and desiring to have a survey thereof in order to have a deed.

There are therefore to empower you the said Geo Bynon to make a true and accurate survey of the said waste land provided there be the first survey.

That you proceed therefore to require you to make a sound plot thereof describing the course and distance of each also the bounding and boundaries of the said land, comprising 2 adjacent 2 where you know not an any. You have the which you are to do survey.

Now then you are to continue your course so as to make your plot or near a square of square you can or may be a fraction where of with this survey you are to give into the office next time before the first days

next year. Given under our hand and seal of the Office this first day of Dec 1742.
This is a historical document written in English. The text describes a survey and includes measurements and directions for the boundaries of a piece of land. The document contains a diagram showing the layout of the area and includes notations about the dimensions and the positions of certain points. The text is handwritten and uses terms typical of legal and surveying documents of the time.
