Earle, Samuel
Stafford Co.
Survey 11 Oct. 1727
102 acres
Warrant date from survey 9 March 1726/7 1 item
By virtue of a warrant from the proper office. Dated the 5th of March 1726, I have received for the Samuel Bulkley of the County of Westmorland one hundred and twenty acres of land, viz. ten acres being in Stafford County and bounded as follows: Beginning at a tree only very near the bank of Accabuck and in the line of the land of Thomas Bulkeley, and as near from his dwelling house, the said land lying upon and being almost directly south of 120 and about 30 poles from the Place described by the 9th, 45 poles to a small east and on the side of a hill. Thence North 30 East 40 poles to a tree on the side of a hill in a line of 400 west in manner. Thence North 30 East 20 poles to a brick house on the side of the east. Thence North 80 West 130 poles. Thence North 80 West 60 poles. Thence South 48 degrees East 114 poles to the
