Gunnell, William  
Stafford Co.  
Survey 19 May 1729  
Warrant 4 March 1728/29  
250 acres  
2 items
Whereas Wm. Gunnell of the County of Westmore, Tho' the 5th day of October last aforesaid, for the sum of Three hundred pounds of lawful money of the said County, did make and do convey unto the said Wm. Gunnell, all that land in the said County which is not yet granted, lying in the town of Townsville, bounded on the north by the sea, on the south by the sea, on the east by the land of Capt. John Pearson, and on the west by the land of Capt. John Pearson, and being ready to pay the proper fees.

These are therefore to empower you to survey the said land for the said Wm. Gunnell. Provided, this be the first Wm. Gunnell, for the same, and upon return of your survey, with the bounds, courses and distances thereof, the said Wm. Gunnell upon paying down the proper fees, the Office Charge, is to have a deed duly executed for the said land, at any time between the date hereof and the 1st day of August next ensuing.

To Wm. Thomas, Surveyor of the County of Westmore, to survey the same.

By my hand and seal, of the office this 11th day of March 1729/30.

Robert Harter
Ortice of a warrant from the Hon. J. riot 1795 for surveying the farm of William Smith of the County of Berkeley for hundred and fifty acres of land in the said County of Berkeley, and bounded as follows: Beginning at a Marsh white oak on the South side of your route about two or three miles below the head thereof being a corner to the line of Capt. Simon French, and running from thence S. 22½ W. 226 poles, thence parallel line to black oak on the side of a Stony Run; thence N. 83½ W. 120 poles on this course, and the last out 320 feet the long branch of the said Run 220 yards over the road and 900 yards at a rock on the South side of the said branch from thence N. 83½ W. taking the branch 240 poles to a small maple on the North side of the said line, south one like above, a Stony Run commonly called Brown's Run thence down the said Run, the Stony Run, and meeting thence to a direct line E. 263½ poles to the place old Begun, Surveyed, and laid out in 1789. Curvey as the plan directed.

James Chinn, Jr., Esq.
