On the South of Capt. John Harrod, surveyor of this County, by description from the last surveyor of the same. 3551 by 335 feet, 10 rods. Not recorded. The above lot of land for W. Oak Harrod of the said County, lying on the E. bounds of Chapman's fork. Begin on the line of Capt. John Harrod's survey by his line in the line of WM. J. Town Mason, and thence to the south line of the said County, thence to the point of beginning.

Corners of WM. J. Town Mason and John Forman at the point of beginning, thence to B. Corners of the said Mason and John Forman at the south line. Thence to E. and Westerly to the line of WM. J. Town Mason and thence to the point of beginning. The land of W. Oak Harrod in 1763.

Beginning as per A. Waller's plan and containing one hundred acres of land drawn and laid out.

Wm. Harrod, Esquire.

By order, William T. Ellsworth, Recorder.
