To Mr James Thomas Surveyor.

Whereas Capt. Willoughby Norton of the County of Westmoreland hath informed that there are about five hundred acres of waste and ungranted land more or less in the County of Stafford on the Border there of joining to the land of Samuel Broadwell & Rich Blackburn formerly English and James Butler's land on the Broad Dam Run of Acquic and some small branches of Occoquan, and desiring to have a survey of the same in order to have a Deed.

There are to empower you the said James Thomas to make a true just and accurate survey of the waste land and to proceed thereto as the said warrant shall be for the same, and to require you to make a correct plot thereof describing the courses and distances per pole also the buildings and bounding of the several parcels land adjoining or adjacent, and where you join with any other line which you are to do when you can, then you are to continue your course or as to make your plot as near a square or parallelogram as may be. A Return whereof with the warrant you are to give into the office any time before the 25th December next ensuing. Given under my hand and seal of the Proprietor's Office this 18th day of August 1739.
