Stafford Co.
Survey 7 Aug. 1729
Warrant 12 July 1729
288 acres

316
Whereas Giles Jollitt of Stafford County hath
set forth to my propagator office that there is one hundred
and fifty acres of land in said County which is not yet
granted, grining to ye North side of John Tunley's land
on the branches of Wolf Run and James Run, to a piece of his
own land.

And having moved for a warrant to survey same being ready
to pay Composition for the charges,

These are therefore to empower you, to survey said land for the said
Jollitt, provided this best first warrant hath issued for ye same; And
upon ye return of ye survey with ye bounds, courses, distance,
thereof, the said Jollitt, upon paying down Composition and Three
Pounds, is to have a Deed duly executed for ye said land at any time between
of ye twelfth Day of January next ensuing.

Gwen under my hand and seal of ye office
this twelfth Day of July 1729.

Robert Carter

To
Mr. John Warner, Surveyor
of this County and King George
To survey of same.

Nu-1

Jollitt, on ye West side of a branch of Wolf Run, likewise

of Col. Carter, then with his lands S. 3 1/2 W 69 po: to (W) a
red oak, i 29 1/2 W 200 po: to (I) a white oak corner of
John Tunley; then with his line East to the beginning
Containing two hundred eighty eight acres.

August 7th 1729

J. W. H. Deed K. G.
By Virtue of a Warrant from the Provisions Office dated 12th Day of July 1729, survey is made in the County of York for Geo. Collins of 280 acres of land to the South West of the land of John Tharley and to the East of the land of Geo. Collins. The survey is as follows:

1. Beginning at the tree mentioned as John Tharley, then following the line of the land of Collins and running the same along the land of Collins, first 60 paces to B, Black Oak, then to C, a willow tree, and then to D, Pilch, then to E, a tree on the line, and 60 paces to F, a black oak in the line, then following the tree on the line and then following the line of the land of Collins for 60 paces to G, a willow tree, and then following the line of the land of Collins for 60 paces to H, a red oak, and 60 paces to I, a white oak on the line, then following the line of the land of Collins for 25 paces to K, the beginning.

Contains Two Hundred Eighty Eight Acres.

August 7th 1729.
