To Amos Panas
Whereas Thomas and Lucy Panas, that they are
About Two hundred acres of uncolonized
Unappropriated land in the county of York, viz.
Joining to the East of Amos Panas's plantation
Extending up the Branch on both its sides.

And desiring to have a survey thereof, for
Obtaining a grant,

This is to inform you the said

Amos Panas To Make a true and Just Description
of the said tract of land, to be surveyed by the said
Warranted Surveyor, for the purpose of requiring
You to Make a correct description of describing the

Curves, Bends, and Peckes, Also the Tract and
Length of the said lands, to be made, to be signing
as Witness whereof, you sign. Not to divide your
line which you are to follow, but then to Cont.
and Your survey, to make a true description
of the said tract of land, at May 20, A. D. Return
thereof with this Warrant, you are to Strike into the
next line, before the 1st day of June,
Next ensuing from this, and have the book of
The Registers of this 5th day of October 1740

T. Fess"
Data about a survey from the beginning of the 1800s, describing a parcel of land with boundaries and dimensions. The survey is dated and signed by the surveyor. A hand-drawn map illustration accompanies the text, showing the layout of the property.
