By Virtue of a Warrant from the Inspector's Office dated the first day of March 1756, I have surveyed for the Sheriff of the County of Middlesex, ninety-nine acres of land situated and lying in the town of Dedham, on the North side of the Allen River, and extending from the east side of the River to the west side of the same, as follows: beginning at a marked stone placed at the mouth of the River, extending on a line with said stone, and running to the north side of the River, and extending from thence south, 24 poles to the same, thence west 240 poles to a tree on the side of the River, thence north 60 poles to a slope, thence east 240 poles to a tree, thence south 60 poles to a slope, thence west 240 poles to a tree, thence south 60 poles to a slope, thence west 240 poles to a tree, thence south 60 poles to a slope, thence west 240 poles, thence south 60 poles to the place it began.

Surveyor, James Thomas
Whereas Daniel Field of the County of Westmoreland hath on the part of the Proprietor of one hundred and sixty acres of land in Isle of Wight County, which is not yet granted, living on the side of the Broad Run of Oceanaqua having with goods of the said Field.

And having in order to have the same being ready to pay Combs and three hundred and eighty two pounds, is therefore to impress you to Survey and Survey for said Field, provided as to first mentioned ten thousand dollars for place of Survey as of land founds and distances thereof of said Field together with Survey of the same for a reasonable time between ye date hereof and the next day of September next ensuing, given under my hand and seal of the Office this twenty-first day of March, 1760.

To
Mr. John Thomas Surveyor of the County of Isle of Wight, to Survey the same.

Robert Hard
